*“The Basics of Faith”* part 3 Sun May 13, 2018

- I. **Hebrews 11:1, 29-35**
  - A. What Faith Can Do
    1. Faith is what activates “Limitless Power of God.”
    2. Remember, *“The worlds were framed by Faith-Filled-Words (Word of God)” - Hebrews 11:3*
    3. Faith can accomplish anything. It knows no limits or boundaries!
    4. **Mark 9:23** *“If you can believe, all things are possible to him that believes.”*
  - B. **Mark 11:20-23**
    1. Two important factors with Faith: Believe and Say (**Romans 10:9-10**)
      - Believe: This is your expectancy (nothing wavering, no doubting)
      - Say: This is your action (Faith-filled words only)
    2. Speak to the mountain, winds or waves, sun or moon, sickness or devils (it makes no difference)
      - **Joshua 10:12-13**
      - **Mark 4:39**
      - **Matthew 8:16**
- II. The Action of Faith
  - A. **James 2:17-19, 26**
    1. Faith without CORRESPONDING ACTIONS is Dead
    2. Faith must always have actions to produce; just like a seed needs water, faith is the seed of God’s power that requires watering (actions)
    3. *If you had faith, you would say.....*
    4. That’s why believing and saying (actions) are required / Believing alone doesn’t get the job done. Jesus said, “you shall know them by their fruits.” Are your fruits showing how much you believe in God or how little you believe in God?
  - B. **Hebrews 11:17-19**
    1. This is the greatest act of faith by a human other than Jesus mentioned in the Bible: Abraham’s act paved the way for Jesus!
    2. Notice why Abraham was able to offer up his son – He SAW the outcome!
    3. Faith always sees the desired-end-result. If you believe it, your actions will always act in agreement....no hesitation, no doubts.
