

“Call It Forth”

Wed Sept 28, 2022

I. **Romans 4:16-17**

A. Callesth those things that be not...

1. **AMP “God gives life to the dead and speaks of the nonexistent things that He has foretold and promised as if they already existed.”**
2. Remember, every word you speak is with power. The same power that God used when He spoke creation into existence resides on the inside of you. The same power that rose Jesus from the dead...it lives inside of you. Mountains move on the behalf of a “whosoever” that believes; Things change on the behalf of a believer of God’s Word. What are you calling for today?
3. This authority, this power has been forgotten in the body of Christ; very few ever walk in the fullness and authority of calling things that be not....

B. Remaining positive (different) in a negative world

1. **Romans 12:2** “Be not conformed to this world (don’t think like they think)”
2. **II Corinthians 6:17** “Come out from among them, and be ye separate...”

II. Speak what you desire instead of what you see

A. **Mark 5:36-42**

1. Why did Jesus say to Jairus, “Don’t be Afraid; Only Believe”? or why would He say, “The damsel is not dead”? Why would either of these matter at all?
2. Jesus understood the power of words – the words were setting His path for success! His words went before Him to create an atmosphere for a miracle! If the only thing that proceeded out of your mouth were the words of God, then there would only be an atmosphere for miracles that would exist!
3. Notice also the importance of kicking all unbelief out of the house – this is important concerning your atmosphere! If Jesus did it, shouldn’t we do the same?

B. **Acts 20:10-12**

1. Paul did the same thing Jesus did – He spoke what He desired rather than what he saw...and His actions followed his words.
2. **II Corinthians 5:7** “Walk by faith, not by sight.”

C. **The Timing of Faith**

1. Why does it take time (sometimes)? Answer: Faith is dependent upon the heart where seeds are planted; if there are only seeds of faith, then there is nothing to hinder the expectancy of that seed; however, if there are other seeds of doubt, unbelief, and fear...then the harvest is slower to produce. Faith is still working (faith like a seed), so keep confessing the Word and calling forth what you desire! (Feed your faith and starve your doubts).
2. When is Faith? So your desire should be to exercise the faith that you already have so you can start believing for “right now” instead of being delayed.
