

“Do You Know?”

Wed Sept 10, 2025

I. **John 3:1-15**

A. How is it that you do not know?

1. Seems to be the common problem today....we know things, but not the right things, not the God-things.
2. Nicodemus was like a lot of people today – trying to reason and analyze through his mind instead of his heart.

B. **1 Corinthians 2:9-16**

1. Notice how many times the word “know” is mentioned (5)
2. This is why faith, hope, love, patience, etc....cannot be activated by your spirit. So many people try to do things within themselves...within their natural means, and it never lasts. You don’t need to muster up your faith to believe.....just believe in your heart and receive!
3. The Natural Man does not receive.....Your Spirit that lives forever is the connection between you and God – Receive here and your body and mind will line up!

II. **Isaiah 40:28-31**

A. “Hast thou not KNOWN...?”

1. Why do we not know these things?
2. Why do we so easily forget?
3. The enemy is trying to replace your knowledge of God with his knowledge...worldly knowledge. Example: Doctors only Knowing what they have read and learned from their books and their predecessors.
4. **Daniel 12:4** “Knowledge shall be increased....”
 - Technology....”AI” has certainly brought us into a new dynamic....
 - Information highway all right at your fingertips
 - Notice it did not say that it was good knowledge....

B. Knowing the Truth

1. **John 8:31-32**
2. **John 14:17** – Do you know?
3. **1 John 2:20**
