

# “Don’t Forget Who Your Enemy Is”

Part 3

Sun Dec 22, 2024

- I. Recap
  - A. **Luke 13:10-17**
    1. Good God...Bad Devil
    2. Anything that is causing bondage, bringing trials and tribulations, discomfort or pain is from one source....Satan!
    3. **Great Dragon, Old Serpent, Satan & Devil who Deceives** – This is who your enemy is.
  - B. **Satan and His System**
    1. The law of the seed: Satan has been planting seeds that question the authority of God’s Word. Every time you hear someone say, “Jesus Christ!” in a blasphemous context, it is to plant a seed in the heart of everyone who hears it to diminish the name of Jesus so it becomes powerless in our minds.
    2. Every time someone says, “It is what it is”...it is a precise and calculated seed planted so we believe that things cannot change!
    3. T.V., Social Media, Music....Satan knows the power of a seed / **Galatians 6:7**
- II. Dig It Up and Cast It Down
  - A. **II Corinthians 10:3-5**
    1. **Imaginations – Thoughts and Reasonings** / Sometimes our thinking gets in the way of our believing (**II Kings 5:11**).
    2. Exalts itself against the knowledge of God
      - Sickness attempts to exalt itself against the healing knowledge of God.
      - Debt attempts to exalt itself against the provisional knowledge of God.
      - Sickness says, “You will never get rid of me.” / Debt says, “You cannot do anything or own anything without me.” – Lies....that most people have learned to accept (living in Egypt).
    3. Bring into captivity every thought – every thing you see and everything you hear....Capture it and put it under the Blood of Jesus.
  - B. Don’t be afraid to make the devil mad!
    1. **Mark 5:36-37** “Don’t be afraid, Only Believe” (Mind Tricks....Lies)
    2. If you are silent when the devil speaks, you are in agreement with what he says! (Jesus rebuked anything that exalted itself against God’s knowledge – fig tree, winds and waves, demons, and even death!) (If you have a thought that doesn’t line up with God’s Word, speak out loud against it!)
