

“Fired Up”

Wed April 23, 2025

I. ***II Timothy 1:3-7***

A. Knowing Who You Are....and Remembering It

1. You have been called out of darkness, purchased with The Blood, Sanctified, Anointed and Secure.
2. Have you so easily forgotten...?
 - Who God is...
 - Who you are...
 - Who the devil is...
3. Timothy apparently was losing his hope...losing his motivation just like so many have before (Elijah, John the Baptist, etc.)

B. Stir Up...

1. ***Rekindle – Bring back to Life!***
2. What is the opposite? Extinguish, Suppress, Stifle
 - Isn't this Satan's most obvious plan?
 - If you really get down to the root of what Satan is after....It's your Joy!

II. How to Keep the Fire Burning

A. Stay Close

1. “I am just burned out!” / How can anyone get burned out if they stay close to the fire? (What people mean when they say this is, “I have allowed the enemy to convince me to walk away from the Lord!”)
2. “I’m just tired... (of people, of family, of this or that)” - Same concept, same meaning. You cannot get tired if you stay connected to the one who has FRESH OIL.

B. Welcome Holy Spirit

1. ***Matthew 3:11*** “Holy Ghost and Fire.”
2. ***Acts 2:15-17*** – The church needs the Holy Spirit....
3. ***John 14:26-27*** – The Comforter...the One who gives me peace.

C. Encourage Yourself (Build Yourself Up)

1. ***I Samuel 30:6*** “But David Encouraged Himself...”
2. You cannot wait on someone else to bring the fire....
3. ***Encouraged – Seized the moment, fastened, fortified, laid hold, prevailed***
4. You have an advantage that David did not have – Praying in the Spirit (***Jude 1:20***)
