

# “From Called to Chosen” part 3 Sun Jan 26, 2025

Foundation Scriptures: **Joshua 24:15 & Matthew 22:14**

- I. **The Strength of David** (Continued from Last Week)
  - A. The Difference in this Life – God’s Anointing
    1. **Luke 4:18-21**
      - Find the anointing, Declare the Anointing, Walk in the Anointing!
      - David was anointed to be king....you are anointed to be king (**Revelation 1:6**).
      - If you are anointed, then act anointed.....David was not afraid when a giant called him names; Jesus was not afraid to declare, “This day”! – Most people think with a “someday” mentality; If you are anointed by God, change the “someday” to THIS DAY.
    2. The difference in being called and chosen...
      - David was anointed as a king = you are anointed as a Christian (David pursued giants....what are you pursuing?)
      - Moving from Christians to Sons and Daughters (*This Day, I am a Child of God; no fear shall have its place in my life; I have been made the righteousness of God through Him. I can do all things through Christ who strengthens me!*).
  - B. **The Favor of Joseph**
    1. **Genesis 39:1-6**
    2. When you have God’s anointing, you have His Favor
      - Things happen for you...the planets line up...good things come your way.
      - The anointing of God doesn’t come through wishful thinking...it comes through steadfast believing! (If you believe it, you would declare it.)
    3. When you have His anointing, you will Know that you Know! (**I John 2:20**)
- II. Protecting the Anointing
  - A. Be watchful and alert
    1. One of Satan’s greatest achievements is distraction when everything is “going well” ...
    2. **Genesis 39:7-12** (Satan was watching, waiting....)
    3. **Genesis 39:20-21** “*But the Lord was with Joseph.*”
  - B. **I Peter 5:8**
    1. No time to “relax” ....Press forward! (Supernatural strength and rest comes when you stay focused in the battle....Stop saying, “I’m tired”, and start saying, “He gives power to the faint...” **Isaiah 40:29-31**)
    2. Keep your “feelings” in line with the Word; Emotions can yield dangerous consequences to your faith and to the anointing. Don’t forget the goodness of God; don’t forget the anointing of God. Always keep it close!
