

“Health To All Your Flesh” part 2 May 17, 2023

Foundation Scripture: **Proverbs 4:20-23**

I. **Proverbs 4:20-23**

A. The Perfect Savior....Healer of All!

1. **Mark 10:46-52**

- **Come to Jesus** (*Come unto Me all ye that labor and are heavy laden...*)
- **Tell Him What You Want** (*Come boldly to the throne to find favor for what we need*).
- **Receive by Faith** (**Mark 11:24**)

2. **Luke 7:11-15**

- Jesus has compassion for you (**Hebrews 4:15**).
- The Last thing God wants concerning His children is the curse to exist in their lives! (God wants you to find your healing and live in wholeness).

B. Symptom vs. Cause (Root)

1. The truth: Recognizing the multi-billion dollar industry revolving around medicine.....THAT IN MOST CASES, ONLY CHASES and TREATS THE SYMPTOMS (and causes other *side effects*) (Vaccines???)
2. Behind Heart Disease and Cancer, do you know what the third leading cause of death is in the U.S.? Answer: Medical Errors (Mis-diagnosis, unnecessary tests, Medication errors, delayed treatment, etc.).
3. God wants to uproot the cause so the symptoms cannot return! (Ask a doctor when they try to prescribe medicine to you this question: Will this cure the problem? / And when they say, “I don’t know”, then ask “Why not?” – If they are honest, they will say, “We are still trying to understand the body and how it works.”).....(My friend, this is why you need THE Creator of your body to be the HEALER of your body; No one knows your body like HE does!)

II. Generational Curses Explained

A. **Understanding Salvation...**

1. **1 Thessalonians 5:23**

- When you became born-again, your spirit was joined to God...but nothing changed about your flesh (if you had brown hair/ brown eyes before, you had brown hair/brown hair after; if you were skinny before, you were skinny after....because that is your body, your flesh.)
- Why do you have brown hair, brown hair, skinny or whatever? ANSWER: GENES!

2. *To understand how to receive salvation for your whole being, you must understand AUTHORITY!*

B. **GENE...RATION CURSES**

1. What is one of the first questions that a doctor asks: *“What is your family history?” “Does this run in your family?”*
2. Someone might say, “Well, I’m born again, so Christ redeemed me from Generational Curses.” (That in itself is a true statement; however.....your physical body will conform to its separated nature unless you do something about it....just like changing the color of your hair, your weight, etc.)
3. Satan understands authority better than most believers...and uses it against them when it comes to disease.
4. The power in a name: A generational curse is a stronghold because of the name that it carries (when something has a name, it has power!)
 - **Luke 8:26-30** (Why did Jesus ask the unclean spirit what its name was? Answer: This was the only way to uproot the stronghold/demon).
 - Generational Curses have power because of the name; it gives them the authority/ the right to stay in the genes....but there is a greater name!
5. Call out the curse by name and place the authority of the NAME THAT’S ABOVE EVERY NAME ON IT!
