

“Hungry For More”

Wed March 18, 2026

I. **Matthew 5:6**

A. The Power of Hunger

1. It can move nations....it can move people to do what is necessary to survive!
2. Hunger is something we know very little about; we think when we miss a meal or we are delayed for a few hours that we are hungry; this isn't real hunger, is it?
3. Holy Spirit... *“My people need to spiritual awakening...a hunger for My Presence...a hunger for My Word!”*

B. ***I Corinthians 15:33-34***

1. ***Awake – To rouse out of stupor***
2. The Bible is true...When we hunger and thirst for righteousness, we will be filled! *(The earth is full of violence, pride, confusion, and pain....but if God's people rise up with a new vision, a new desire....There will be a mighty change!)*

II. ***I Samuel 3:1-10***

A. Precious...Open Vision

1. Direct, Public Revelations from God were rare or non-existent during a period of spiritual decline. Another way of saying it....there was a spiritual famine or low spirituality in the land.
2. Does this sound familiar? Why and what has changed?
 - Busyness of life keeps us bound....just trying to get through the day as it seems dealing with family matters (older parents, children), daily chores and routines, paying our dues in life.....leaves little time for hunger for God's Presence.
 - An increase of imitations of the real thing....churches that have a lot of sugar, but no real value to the sustenance of life.

B. What Must We Do? (Not What Can We Do?)

1. ***Encourage, Strengthen, and Fellowship Together (Hebrews 10:23-25)***
2. ***Speak the Same Thing....Believe the Same Thing...One Mind and One Heart/Real Friendship***
 - ***I Corinthians 1:10***
 - ***Acts 4:24, vs. 31***
3. ***Be A Witness / Find the Hunger Again....and Fill It!***
