

“Kingdom Finances” part 2 Sun Feb 12, 2023

Foundation Scriptures: Psalm 112:1-10, Proverbs 13:22

- I. **Recap from last Sunday**
 - A. Poverty and Debt
 1. Poverty is a condition that has a demon spirit attached to it.
 2. Debt and living from paycheck to paycheck has a mindset attached to it.
 - B. Prosperity
 1. Definition:
 - **No Financial Debt**
 - **You have more than enough resources to fulfill every divine assignment God has for you and enough left over to help others fulfill theirs.**
 2. Prosperity starts with Who you have not what you have.
 - **Jehovah Rohi – The Lord My Shepherd**
 - **Jehovah-Jireh – The Lord Shall Provide**
 - When you have Him, you will have it (The Blessing) (**Proverbs 10:22**)

- II. Your Identity
 - A. **Your Identity is who you are regardless of your circumstances**
 1. Victims get their identity from their experiences.
 2. Children of God get their identity from who their Dad says they are (It's in your DNA).
 - You will always act out of who you think you are (as a man thinks in his heart).
 - If you think you are a sinner saved by grace, then you will sin; you will have more faith in what you can't do then what you can do because of this one thing: that's how you see yourself!
 - B. **You Are Prosperous**
 1. **Psalm 1:1-3 – WHATEVER HE DOES SHALL PROSPER (Push Forward, Break Out, Become Mighty, Be Good, Be Profitable, Make to Prosper).**
 2. *The blood that fell from the brow of Jesus to the ground when He was in the garden broke the curse that made things hard. When things get tough in the world economically, the children of God should never do without. Isaac sowed in a time of famine....*
 3. God's people were enslaved to Egypt for 400 years. Every child was born into slavery. They only knew slavery. In America, there is a dream, but it's encompassed with slavery...with debt. We grow up believing that the only way to get the things we want is by joining ourselves to the system. When you see yourself prosperous, you will start talking prosperous, you will act prosperous...and you will be prosperous! (Doing without....stinketh!)

III. How to see your wealth grow

A. **Learn How to Approach every situation as a child of God**

1. Routines can be good and evil – Make every day a new day giving glory to God in everything you do. When it comes to finances, look for opportunities that God is setting up on your behalf so He is able to bring increase into your hands.
2. Jesus is the author and the finisher of my faith....He is the author and finisher of my finances!

B. **The power of investment**

1. You will only get out of something as much as you put into it....but Kingdom finances works on a different level....what you put in multiplies.
2. The First and most important investment when it comes to your money is the tithe – every harvest depends upon one thing: Seed! (**Leviticus 27:30**).
3. Why do you put your money in a bank? Answer: To Protect your increase. When you bring the tithe (not a tithe, not a gift, not a portion....THE) to God's storehouse (church bank account), a supernatural protection of your goods, assets, and livelihood goes into action....and **Malachi 3:10** brings the reality to what the blessing can really do! (If you are not tithing, you are missing out of one of the greatest truths in the whole Bible....if you want to do more than just get by, living paycheck to paycheck....give God what belongs to Him...He will never let you down; the tithe is your #1 investment in the kingdom of God – to be free from the curse, give God your best...start today!)
4. The only people that God said, "Well done" is investors. (**Luke 19:13 – Occupy: To Invest!**)
 - Notice that the least God expects of us is to have our money gaining interest in the bank.
 - The midas touch only works for those who find opportunities and put it to use.

C. **The Law of Giving**

1. **Luke 6:38**
2. **II Corinthians 9:6-9**
3. A Good Start: 10% to God, 5% to People in Need, 5% to Your Future, 5% to Yourself, and Live off the rest (75%). The next step would be 20% to God, 10% to People in Need, 10% to Your Future, 10% to Yourself, and Live off the rest (50%).

D. **The Storehouse Principal**

1. **Deuteronomy 28:8 / Proverbs 3:9-10**
2. **Storehouse – Barns, to heap together** (Bank accounts, investment accounts, 401K, Stock market, etc.)
3. In order for God to bless your storehouses, make sure you have the plural for Him to fill.
