

“Look Right On”

Wed Dec 14, 2022

I. **Proverbs 4:20-27**

A. What do you see?

1. The painted picture that everyone else sees...or
2. The truth that will set you free...

B. Let them not depart from your eyes...

1. Why? What you see is what you get!
2. Let your eyes look right on...and straight before you.
3. **Jas 1:25** *But whoso looketh into the perfect law of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the work, this man shall be blessed in his deed.*

- ***If you want to change what's in your hands, you must first see correctly with your eyes. If your seeing is right, then your receiving is right!***

II. Seeing an Opportunity vs. an impossible Problem

A. **Luke 9:12-17**

1. Do you see the problem or do you see the solution?
2. The problem is always easy to see....5000 people and just a few fish/loaves...
3. The solution is also easy to see...if you have trained your senses to see it that way! (It's more than positive thinking....it's positive seeing!)
4. **2Co 4:18** *While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.*

B. Anointed Eyes

1. **Revelation 3:16-19**
2. *Elisha's prayer "Lord I pray, Open his eyes that he may see..."*
