

“More Grace”

Wed Feb 11, 2026

I. **James 4:1-7**

A. I Am Accepted

1. **Grace – Divine Favor and Acceptance**
2. When you give grace to someone for a mistake made, what does that mean?
 - It is the deliberate, unconditional act of patience and forgiveness even when it is undeserved. (You accept them even though they did something wrong, and you choose to give them favor.)
 - God’s Grace toward us has no price tag on it; His forgiveness and patience is more than we could ever imagine...and it all transcends from a heart of love. This is why following Jesus (The Grace Giver) requires the same toward others: **Colossians 3:13** “Forgive...”

B. **Romans 5:17-21**

1. Satan has twisted people’s minds into believing that God is judging us, just waiting on us to mess up....It is so far from the truth. God’s Grace through His only begotten son covered our mistakes!
2. Are you sin-conscious or Grace-Conscious?
3. **Grace is Greater...Grace is More...Grace is Forever!**

II. Chosen By Grace

A. **1 Corinthians 15:9-10**

1. Paul is no doubt the perfect example of the power of Grace....
2. There was nothing Paul could do or say that would make him worthy....the only thing left is to submit to its power and receive!

B. How Do I Receive?

1. **Ephesians 2:8-9** – It is a free gift (no strings attached) that can only be received by faith.
2. As easy as it is, we have always been the ones that make it difficult
 - Faith is believing and resting in God’s Word...
 - So I believe and rest on the fact that God’s Diving Favor and Acceptance is All I Need!
3. **“My Grace is Sufficient for You!”** – Just take what I have given and tell the devil to back off!
4. **Galatians 2:20-21**
