

“Quick to Obey”

Wed Sept 23, 2026

I. ***1 Samuel 3:4-10***

A. *Speak, for your servant is listening*

1. No longer a servant or even a friend, but a child of God (Speak, for your son is listening).
2. You still carry the same humility, but a different position of power and authority. (Notice how quick Samuel moved at God's call).

B. Delayed Obedience

1. It is disobedience in disguise
2. It leads to missed blessings, deception, and loss of trust (trust from you to God, and trust from the Father to you)....
3. Partial Obedience is Still Disobedience (King Saul was moved by what the people wanted instead of what God said).
 - If you want God to speak to you and be mightily involved with His plan, just move when He says move.
 - ***John 2:5*** “Whatever He says to you, just do it.”

II. Be Doers of the Word

A. ***James 1:22-25***

1. What does “doer” mean to you? One that performs; one that puts to action what he knows.
1. Knowledge without obedience does only one thing: Puffs you up (“Pride always goes before a fall...”)

B. The Importance of Quick Obedience

1. Faith is God's Gift to You that enables you to receive.
 - We must understand more than just what faith is; we need to know how faith works!
 - Faith is now and faith without works (doers of the Word) is dead.
2. ***Quick obedience honors God's authority and shows your deep trust in His goodness and provision.***
3. ***Fast Obedience clears the doubt in your mind.***
4. ***II Kings 5:9-11*** (Maverick quote: Don't think; Just Do!)
