

“Redeemed”

Sun Oct 4, 2026

I. **Galatians 3:13-14**

A. Redeemed....From What?

1. **Redeemed – To Buy Back or Ransom Someone From Slavery or Debt by Paying a Specific Price. To Rescue From Loss.**
 - Unlike modern ideas where people “Redeem” themselves through their own personal efforts, Biblical redemption always involves someone else stepping in to pay the cost and restore the lost person to the rightful owner.
 - The Root Word comes from the “Marketplace.” When you are redeemed, you move from being under the power of the enemy to belonging to God.
2. The Curse – **Deuteronomy 28:15-68** (54 verses of curses)
 - Confusion, Despair, Disease
 - Loss, pain, joylessness, unrest, and unfulfillment—seen in people who never seem to move forward and continually face hardship—are signs of living under a curse.

B. From the Curse to the Blessing

1. **Deuteronomy 28:12-13** (Hearken – Listen Intelligently).
2. The blessing does not merely come upon you—it seeks to overtake you!

II. How Do I Walk In The Blessing?

A. Resist the Curse (**James 4:7**)

1. The Curse is everywhere looking for anyone to enslave.
 - If you do not change your habits and patterns, the curse will try to draw you back into Egypt.
 - If you are not resisting, you are accepting. Resistance is ongoing spiritual warfare: cast down imaginations, rebuke the enemy, renounce sickness, confusion, and fear, and boldly speak God’s Word with authority. – **Luke 4:38-39**
2. Slavery is calling your name....What are you going to do about it?

B. Know Who You Belong To

1. **I Corinthians 6:19-20** (Satan thinks he owns you....you need to remind him of who your Daddy is!)
2. **Psalms 100:3 / Psalm 23:1-6** (Sheep need a shepherd, respond to his voice, and remain with Jesus; goats reject guidance, act independently, and are cast out).
