

“Remember...Always”

Wed July 5, 2023

I. **Deuteronomy 8:11-18**

A. Where does my help come from?

1. Satan attempts to get you to focus on the bad things in this world....do you know why? Answer: If he can get you to focus on what's wrong, you will forget God's Faithfulness.
2. The danger of pride and arrogance – it makes you forget the author of your supply in this life...
 - The only way to stay humble is when people look at your accomplishments, direct the attention back to God.
 - God will not share His glory – this is why pride always comes before destruction, and a haughty spirit before a fall (**Proverbs 16:18**).

B. Don't forget...

1. The goodness of God, His Faithfulness, His Steadfast Love.
2. Since He was there with you before....He will be with you now and forever!
3. Too many people have forgotten...If it happened to Lot, if it happened to John the Baptist, if it happened even to Judas...it can happen to anyone.
4. **Deuteronomy 4:9**
5. **Deuteronomy 6:12**

II. Your Attitude is the Difference

A. **Be Thankful...ALWAYS**

1. **Ephesians 5:19-21**
2. **Colossians 3:15** “Be ye thankful (grateful).”
3. If you are always thankful, it eliminates the murmuring and complaining attitude.

B. **Be a Praiser....ALWAYS**

1. **Psalms 50:23** “Whoso offereth praise, glorifieth me...”
2. The devil is afraid of people who have an attitude of praise...especially of people who praise when the circumstances don't seem to be in their favor.

C. **Speak the Word...ALWAYS**

1. When you learn to speak what the Word of God says (instead of your opinion or your experience), your world will have no choice but to change.
2. “Well, what do you think?” Your answer: “The Word of God says...” (You can never go wrong with this kind of attitude!).
