

Foundation Scripture: **Ephesians 5:1-2**

I. Days of Preparation

A. **Mark 13:32-37**

1. **Christians Should Have the Answers**
2. **Christians Should Always Be Ready**

B. **Matthew 24:36-39** (Quick Recap of the First 2 of the 6 Major Occurrences)

1. **An Exploding Population – Genesis 6:1**
2. **Gross Sexual Perversion – Genesis 6:2**

II. **Remaining 4 of the 6 Major Occurrences**

A. **(3) Increased Demonic Activity and Influence**

1. **Ephesians 6:11-12**

- Be mindful...when God's people begin to move in agreement with God's Word, Satan will do everything within his power to stop it. The only way Satan can prolong his days on this earth is by keeping Christians quiet!
- *With the wars and rumors of war...with Israel and the fight between other lands....with the confusion and division within our own great land...with the hatred of good rising to the top...with people now calling good evil and evil good...it is clear that we are living in the last hour....Pay attention, be alert, the days of preparation are upon us...Jesus is coming!*

2. Satan knows that his time is short, so just like in the days of Noah, there will be more demonic activity and influence than ever before...**I Timothy 4:1-2**

- Foundational beliefs such as the virgin birth, the sinlessness of Jesus, the need to repent, the reality of Satan, and a literal heaven and hell are all up for grabs with the younger generation.
- Recent analyses show that the belief in absolute truth has already declined to such a point that this generation (especially among the younger ones) sees no need even to witness and convert those of a different faith to Christ. Satan and his demonic influence have convinced the world that if you are good, then you will make it...or better yet, the big lie that many people of all ages believe is Jesus is one way of many ways that lead back to their creator (Doctrines of devils). **John 14:6**
- In addition to the increasingly pagan mindset that already exists in this world, did you know that there are idols of Satan that have been permitted to be erected for worship in some public parks and in government institutions? (**Revelation 13:15**).
- Did you know that there are even public schools now offering “Satan clubs” for kids? And even some government council meetings are opening with prayer, hailing Satan and asking him to guide the decisions made in their chambers! (No wonder there is so much confusion in our

own government and among the children in this world concerning their identity and purpose in this life!)

- ***Is the world today experiencing demonic activity and influence like in the days of Noah?***

B. **(4) *Transhumanism* (Genesis 6:4)**

1. The foundational belief of transhumanism is that human beings are weak and poor, both physically and morally; Therefore to improve the human experience – which includes aging, disability, disease, and mental limitations – there must be a convergence between humans and technology to create transhumans that will be stronger and have greater abilities.
2. A.I. - **Artificial intelligence** (Think about the name: Artificial: Made or produced by human beings rather than occurring naturally / Intelligence: ***Daniel 12:4***)
3. We are living in the days just like Sodom and Gomorrah and the tower of Babel (***Genesis 11:6***).
4. The ultimate drive behind the transhumanist movement is to have technological capabilities to become like gods!
5. Human-animal hybrids are being grown in laboratories right now: pigs with human blood, mice growing human ears, sheep growing human hearts...all in the name of medical science breakthrough.
  - The 6 million dollar man and the movie Transcendence is now a reality.
  - ***Is the world today experiencing Transhumanism like in the days of Noah?***

C. **(5) *Continuous Evil In The Heart of Man* (Genesis 6:5)**

1. ***Romans 1:30 – Inventors of evil things: A Time When the World Has No Moral Restraint.***
2. This ties into the previous occurrences concerning technology and sexual perversion where there is a growing trend of robots that can offer both physical and emotional companionship. People are paying top dollar to engage with robots to meet sexual desires....***Genesis 6:5*** “Every imagination of the thoughts...”
3. An Evil Invention that has killed billions (It has always been about the seed!)
  - Bloodshed was widespread before the flood...how is it replicated at its greatest beyond the wars between nations now? ***Abortion.***
  - From 1957 to 1991 (34 years) over 306 million abortions were performed in the Soviet Union.
  - From 1971 to 2020 (50 years) over 490 million abortions were performed in China.
  - From 1973 when the Supreme Court legalized abortions until 2020, over 65 million abortions were performed.
  - For the last 40 years, it is estimated that a staggering 2 billion abortions have been performed worldwide. Why is this important to discuss: The world has become more barbaric than ever in their knowledge, imaginations, and actions. People follow a way of thinking that causes

them to put homosexuals in the pulpit, statues of Satan for people to worship, and allows abortions to be performed out of a reason of just cause and "It's My Body!" (Even Satan has perverted the most powerful statement spoken by Jesus at the last supper: "This is My Body...").

- Along with Abortion, the evil invention of gender reassignment is also destroying lives....How can anyone ever have a logical mindset that surgically altering a person's God-creative sexual anatomy is progressive and acceptable??? A proper word for this is delusional! The proper tool for real change to a person who has confusion about his or her identity is the Name of Jesus not a surgeon's scalpel!
- ***Is the world today experiencing a rise of evil in the heart of man that occurred like in the days of Noah?***

D. (6) **Increased Violence** - **Genesis 6:11, 13**

1. The escalation of violence in entertainment is now so widespread that by age 18, a child will have seen more than 200,000 acts of violence on television and witnessed more than 40,000 simulated murders.
2. The average 7<sup>th</sup> grader watches more than 4 hours of television per day – with more than 60 percent of the programs containing violence.
3. The average 7<sup>th</sup> grader plays electronic games 18 hours per week – with more than 50 percent of the games categorized as "violent". And what about the music they listen to? Why is all of this important? Satan is planting seeds in all of us to believe that violence is normal....and did you know that similar violent programs are taught in military training? We are not just teaching kids to kill; we are teaching them to like it!
4. The Wars and Rumors of War have escalated to the highest level...we are fastly approaching World War III...the violence in the streets, the violence against government, the Road Rage that is increasing due to stress and the cares of this life...***Is the world experiencing violence as it occurred in the days of Noah?*** YES YES YES....The World Needs Jesus and only the Christian has Him! Closer than you think....prepare the oil...prepare the ark...prepare the way, says the Lord!
