

"The Divine Nature"

Sun Mar 1, 2026

I. **II Peter 1:1-8**

A. The Knowledge of God

1. What do we already know about this? *"My people are destroyed for lack of knowledge; because you have rejected knowledge..." (Hosea 4:6).*
2. What is Satan fighting? The Knowledge of God (For it is within knowing Him and His Promises that we become the children of God and become partakers of the divine nature.
3. Listen....we are living in prophesied times: **Romans 1:26-28** (What is the issue? People don't want to retain the knowledge of God so they can be god...and Satan is doing everything he can to take God out of our schools, our legal system, our way of life!).

B. Knowing God...Knowing His Word

1. **Psalm 1:1-3** (Meditate when?)
2. **II Timothy 2:15** "Study (**Make effort, be prompt and diligent**)...."
 - Rightly Dividing is so important to knowing God and His Perfect Will.
 - Why do so many people miss it when properly interpreting the Bible?

II. Finding His Promises

A. It is By These that you are Partakers

1. Something happens when you are born again....but this is not the end.
2. When you find the knowledge of God, you find His promises....it is in His promises that you become children and heirs of God (different/set apart).

B. God's Touch (From Heaven to Earth).

1. **Mark 5:25-30** (Familiar story...yet so profound and see it in a different light today):
 - The woman was willing to step out...willing to make a change to see her promise. There was no more waiting, her time had come to an end, at least in her mind. She tried everything else to no avail.
 - Somehow, she knew there was power in the ability of touch....a forgotten principle of God as it seems. The clothing acted like a storage battery, holding the divine nature of God. Paul used handkerchiefs to demonstrate God's miraculous power and demons were cast out!
2. When you became reborn, your spirit man became alive; heaven touched your soul; the divine nature of God was in you...but just like any battery, there must always be a recharge to keep the power.
3. Hold Fast and Never Let It Go....**Revelation 3:10-13**
