

“The Equation of Truth”

Sun Nov 9, 2025

I. **John 18:33-38**

A. What Is Truth?

1. The most profound of all questions...especially today...
 - The World is falling greater into darkness, confusion, and fear
 - People have a difficult time discerning between what is right and what is wrong; many have had their conscience seared as it were with a hot iron, unable to see the truth, let alone walk in it.
2. **Truth – That which is certain, trustworthy, stable and sure.**
(Dictionary – A verified or indisputable fact; actuality)
3. **2+2=4 (This is a simple mathematic equation that everyone understands...it is a law of principle and fact; the answer is always the same, never changing, and secure. Why is it any different with God? He never changes, His laws are just, trustworthy, and sure. Why? Because we do not understand the equation of truth!)**

B. **John 8:31-32**

1. Key element concerning truth – “If you continue in My Word...You Will Know the Truth...”
2. Why the Word? His Word, What is Written....This is the only thing that is certain, trustworthy, stable and sure; Even from the world’s standard of what truth is, the Word of God has been verified and is indisputable in every way.
3. Know the Truth....another way of saying this is: Have a revelation of the truth
 - When you begin to see it....when you choose to believe it...this, my friend is when you receive it!
 - Something amazing happens when you have a **RHEMA** revelation over a **LOGOS** word. (When it is logos, it is for everyone...when it is rhema, it is for you!) – “Blessed art thou Simon Barjona...”
 - People read the Bible all the time....People go to a church every Sunday...Just because you read your Bible, just because you go to church, this is not what makes you free; it’s knowing the Word, having a revelation....the light comes on in your spirit, and then and only then, you are not just made free, but free indeed!

II. The Application of Truth (Faith + Actions = Promise)

A. Hearing the Truth is First

1. **Isaiah 40:28-31**
2. **Romans 10:17** “Faith comes by hearing....”

- B. The Application of Faith is what makes Truth Come Alive
 - 1. I know a lot of weary and confused people....so just hearing it does not make it your own. **James 2:26**
 - 2. **Hebrews 4:2**
- C. Scriptures that solidifies you knowing the truth (and it never fails)
 - 1. **Psalm 33:4, Psalm 85:11, Psalm 86:11, Psalm 86:15, Psalm 91:4, Psalm 100:5, Psalm 117:2, Psalm 119:142, Psalm 119:151, Psalm 145:18**
 - 2. **John 4:23-24**
