

“Walking In His Blessing”

Sun Dec 26, 2021

I. **Numbers 6:22-27**

A. The Lord bless you...

1. Most Christians never truly understand the value of God’s Blessing
2. The truth: Over time, we have forgotten our roots...we have forgotten the way things use to be...we have forgotten where it all began. Where did it begin? **Genesis 1:28**

B. What is the blessing?

1. **The spoken prophetic favor of God**
2. Within the blessing exists all the promises of God.
 - * Within the blessing, you have the ability to get wealth.
 - * Within the blessing, you have the ability to maintain God’s divine health.
 - * Within the blessing, you have the ability to have peace of mind.
 - * Within the blessing, you have the ability to overcome in every area of life!
3. So...without the blessing, you rely completely upon your ability. And haven’t we all learned that **John 15:5** is true? *“without him, we can do nothing!”*

- **More than anything else in this world, we should yearn for God’s blessing.**

- **And when you find it, never let it go!**

II. Returning to our roots

A. **Isaac, Jacob, and Esau (Genesis 27:33-38)**

1. There must be more to the blessing than we have realized.
2. Notice that once a blessing is given, it cannot be reversed!

B. **Jacob, Joseph, Manasseh, and Ephraim (Genesis 48:8-14)**

1. Prophecy is powerful – We are to war a good warfare by them (**I Timothy 1:18**)
2. What prophecies can you find in the Bible that have your name on them?

C. **Jabez (I Chronicles 4:10)**

1. “Bless me indeed” - **Bless me with your best, bless me with overflow, bless me beyond measure...**
2. **Numbers 23:19-20**
