

“Words of Life”

Wed June 11, 2025

I. ***Ephesians 4:26-32***

A. Say What The Word Says

1. ***Corrupt – Worthless, Rotten, Bad***
2. ***Communication – Something said, including the thought or reasoning; any utterance or word.***

B. If you only knew...

1. The power in every word you speak
2. Multiply the power in words by 100 when you speak God’s Holy Word.

C. Edifying

1. ***Architecture; Structure, Confirmation, Build Up***
2. “Are my words edifying all the time?”; Are my words always lining up with God’s Word?”

II. Get Your Words in Order...

A. Are you hung by the tongue?

1. Your Words are either working for you or against you...
2. ***Matthew 12:36-37*** “Every idle (***Inactive, unemployed, barren, useless, lazy***) word...”

B. Murmuring vs. Praise

1. What does the Bible say? ***1 Corinthians 10:10*** “Do not murmur (***Grumble or Complain***)...”
2. ***Psalms 100:1-5*** “Make a joyful noise...”
 - When you speak, is it joyful to your Heavenly Father?
 - When you speak, is it something your angels can work with?
3. Back to the first scripture... “Neither give place (room, occupancy, opportunity) to the devil.”
 - Your words are an easy access point for God and the enemy.
 - Speak the word only....and it shall be so!
