

# “Your Guardian Angel”

Wed Oct 23, 2024

- I. **Psalm 103:19-21**
  - A. Did you know?
    1. That you have a guardian angel assigned to you?
    2. That your guardian angel is listening to every word you say?
    3. That your guardian angel has strength to shut the mouths of lions, has the ability stop destruction that is headed your way, and has power over natural elements? (Daniel and one angel...Shadrach, Meshach, and Abednego and one angel)
  - B. The Importance of the Spoken Word
    1. Angels hearken (heed to, obey) to the voice of God’s Word!
    2. Your Words either move your angel to go into action on your behalf or your words cause him to be still / Angels are not emotional... they perform based on faith. (There is so much power in every word you speak....This is why Words of Faith should be the ONLY thing that comes out of your mouth).
